

For THAI operated flights flown before 1 October 2019, please use the below chart as reference for a retroactive mileage claim within the eligible period of 6 months after the flight dates.

**Earning Miles**

Miles are earned according to the fare paid, the class of service of your purchased ticket, and the distance flown.

**Paid Travel on THAI operated flights**

Class of Service	Operating Booking Class	Percentage of Actual Miles Flown
Royal First Class	F / A / P	150%
Royal Silk Class	C / D / J / Z	125%
Premium Economy Class	U	110%
Economy Class	Y / B / M / Q / H /	100%
Economy Class (Discount)	T / K / S	75%
Economy Class (Discount)	G	50%
Economy Class (Discount)	V / W	25%
Economy Class (Discount)	L	No miles
Ineligible Booking Classes	O / I / X / E / N / R	No Miles

**Note:**

- On all THAI operated flights, for paid travel in most booking classes, you earn miles plus additional class of service miles. For THAI operated flights less than 500 miles in distance, you earn a minimum of 500 miles.
- On THAI, discounted fares or promotional fares with designated booking class code or routes, may be eligible for reducing mileage accrual or may not earn miles.
- Award travel generally in O / I / X / E booking classes, and travel industry discounted tickets, generally in ID or AD, are not eligible for mileage accrual.
- On all upgraded travel including a paid upgrade at the airport, mileage is earned based on the original paid fare.
